Subject of KARL-1014

Procurement of Background Material from ECIC

Reference - MOB-A-607

1. Background material requested on subject has been obtained by the CIO Liaison Sub-Section in Frankfurt and will be forwarded to you under separate cover by them.
2. Unfortunately we are unable to check with any degree of accuracy on paragraph 2 of MOB-A-607. It is believed, however, from conversations held by the undersigned with [] prior to his departure, that subject was not favorably disposed towards the Chief of RUSTY and that there were some clashes between them in the past. Mr. RAPP and Mr. NEWHAM, who were queried on this matter, have no information.
